# Motivational Speaker . Mentor . Host

JT has been spreading positivity daily on his social media vlogs . His followers span the country and the views are growing every day.

Before the Pandemic hit, Jonathan was delivering motivational speeches in-person, primarily at schools and community events.

During the Pandemic, he didn't slow down, he only pivoted... to the Zoom platform, which expanded his audience.

At a time of great stress with Covid, the death of George Floyd, and teen mental stress, JT shed light and brought positivity. He shared uplifting, empowering messages with teachers, students, local and national companies alike.

He also made an upbeat dance video to the song "Footloose" to lift spirits during the Pandemic. The Star of Footloose, Kevin Bacon, saw it, loved it, and reposted it. It has now gone viral with over 2 million views to date.

JT's Enthusiasm has no end!

# Entrepreneur . Community Advocate . Influencer

**Entrepreneur:** Jonathan “JT” Thompson is the founder of JT’s Chronicles, a Non-profit Organization that focuses on promoting positivity in communities, and teaching kids about loving themselves, setting goals and persevering through challenges.

**Community Advocate:** Jonathan received a thank you award from TD Bank for his commitment to making the community strong and for spreading positivity everywhere he goes. He was given \$10,000 to help kick off his “Back to School” Positive Direction Motivational Tour, where he was able to hand out 200+ backpacks full of school supplies and launch a fun dance video.

**Social Media Influencer:** Additionally, JT was approached by Honey Dew Donuts to be a social media influencer via his vlog, JT’s Chronicles “Summer of Positivity” campaign, where he interviewed people on the streets of Cape Cod about what helped them get through the pandemic. JT visited many different businesses and famous places across the Cape to interview the public. They shared stories, situations and advice about what made them stronger.

# Lifetime Learner

**Member of a Boy Band in High School:** For over half of his life, Jonathan has been in front of an audience, making people feel good about themselves. He was in a boy band that was managed by legendary music manager, Johnny Wright. Jonathan's group opened for New Kids on the Block, Run DMC, etc.

**Longtime Host of Dancing with the Docs:** Jonathan has also been the host for "Dancing with the Docs" for the past 5 years, which raises millions of dollars for the Cape Wellness Collaborative which helps local cancer patients.

**Recipient of Black Excellence on the Hill Award at the MA State House:** JT was awarded this prestigious award for his efforts to keep the community strong during the pandemic. For 76 consecutive weeks, he and DJ Angel Robinson entertained viewers with a high-energy virtual dance party every Friday night.
